Gentlemen:-

This is to notify you that there will be a meeting of the Supervisors of the Biscayne Drainage District to be held on next Wednesday, the 5th, at 3:30 P. M., in the office of Shotts & Bowen, on the eighth floor of the First National Bank Building.

Your committee appointed at the last meeting to take up negotiations with the Dade Drainage District will make a report, and it is hoped that at this meeting we will be able to come to definite and final conclusions with reference to advertising for bids for the digging of our canal.

I wish to request Mr. Griffing and Mr. Simmons to notify any property owners in the District with whom they can get in touch with to be present at the meeting. Mr. Graham of the Dade Drainage District, it is expected will also be present, with his Attorney and Engineer.

I wish to kindly request that each of you make a special effort to be at this meeting promptly on time, as none of these gentlemen have any time to waste waiting for stragglers.

Yours very truly,

Chairman.
