Mr. Frank J. Pepper,

Dear Mr. Pepper:-

I have a note from Mr. Clune advising that the Biscayne Drainage District at a recent meeting appointed a committee consisting of Mr. McCaskill and yourself to handle the canal matter and that you wish me to meet with you and preferred some evening. If convenient to you, I could meet tonight. I will be in town this afternoon and will call you to see if this will be all right.

Yours very truly,
