Mr. Arthur M. Griffing,
39 N. E. 2nd Ave.,
Miami, Florida.

Dear Mr. Griffing:-

On returning to the office today I find your letter of the 4th inst., and since its receipt have been in communication with Mr. Evans and Mr. Sweet, and this is to advise that matters are in such shape that we think the Board of Supervisors are now in position to make recommendation to the County Commissioners as to acceptance of bids and we are, therefore, calling a meeting for this purpose, in this office, for next Saturday afternoon at three o'clock. We would, of course, like to have any of the property owners present who desire to come, and I will thank you to see that they are given this invitation in the same manner as handled in the past.

Yours very truly,

CHAIRMAN, BOARD OF SUPERVISORS,
BISCAYNE DRAINAGE DISTRICT.
