Mr. Geo. H. McCaskill,
Miami, Fla.

Dear Mr. McCaskill:

Mr. Blaine has stated to me that you have kindly consented to serve in my place on the Biscayne Drainage Committee at least during my absence, and I have therefore accordingly written a letter of resignation to the County Commissioners along this line, and am enclosing the same herewith, to be handled by you as you see fit to accomplish the ends desired.

Yours very truly,
