March 4, 1924.

Mr. Frank J. Pepper
Chairman, Board of Supervisors
Biscayne Drainage District
Miami, Fla.

Dear Mr. Pepper:

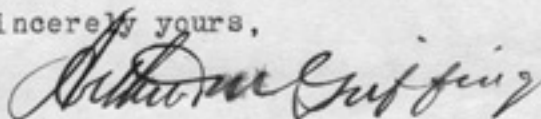

Was exceedingly sorry to learn by phone from your office yesterday that you were sick and confined to your bed and sincerely hope that you will be able to resume your many duties at an early date.

We were gratified, however, to learn from Mr. Evans that he had a very favorable report from the bond attorneys whom he had communicated with, and if I am correctly informed it is his wish that a meeting of the supervisors and property owners be called as early as practicable for the purpose of making such recommendations to the county commissioners as have been tentatively decided upon.

As the commissioners will meet next Tuesday we hope it will be possible to have such a drainage meeting before the end of this week and if you will phone my office in Biscayne Park your wishes in this matter I will be glad to notify the interested property owners in this territory very promptly.

With our best wishes, we are

Very sincerely yours,

Arthur M. Griffing
