Gentlemen :-

As Chairman of the Biscayne Drainage District Committee, I wish to call a meeting of you gentlemen to convene in the office of Mr. Mc Caskill, in the Ralston Building on next Monday, April 30th, at 2:30 P. M. to discuss some matters of vital importance which have come to my attention concerning the proposed Drainage project.

I would like to request that Mr. Moore please have on hand all maps and other data which he has compiled in connection with this project.

In case either of you gentlemen should be unable to attend this meeting, the Chairman would thank you to kindly notify him promptly, either by phone or otherwise.

Yours very truly,

Chairman.
