SUBJECT: Proposed Drainage District near Arch Creek

Mr. Sidney Harrison, Sec'y,  
St. Augustine, Fla.,

Dear Sir,

We have your favor 30th ultimo in regard to above subject. We received a notice on December 1st that a meeting would be held on the evening of December 1st at the K.P.Hall in Arch Creek to hear reports of committee that was previously appointed to investigate the proposed Drainage Canal. I was sick at the time, and unable to attend this meeting, so had our Mr.Coffrin go up to Arch Creek and attend same, and we are enclosing his report of the meeting herewith.

We can go over this matter with you personally when we come up to attend the Agents' Meeting.

Yours very truly,

PEPPER & POTTER
