SUBJECT: Proposed Drainage District near Arch Creek.

Messrs. Pepper & Potter,
Miami,
Florida.

Gentlemen:

We are in receipt of your favor of the 28th instant, advising us that the property owners in the vicinity of Arch Creek, headed by Mr. Arthur M. Griffing, are contemplating a drainage district, which if formed will effect our Company's interest in some 2,000 acres of land.

We appreciate your courtesy in calling our attention to this matter and will be glad to have you keep us advised from time to time as progress is made, as we do not wish to join any further drainage districts if we can possibly avoid it.

We will be pleased to discuss this matter with you at the special meeting of the agents on the 8th of December

Yours truly,

Sidney Harrison
Secretary.
