Mr. J. O. Harley,

Gentlemen:-

There will be an important meeting of the Board of Supervisors of the Biscayne Drainage District in the office of Pepper and Potter tomorrow, Tuesday, at 4:30 P. M., to discuss further bids recently received for the digging of our canal.

The Supervisors of the Dade Drainage District, as well as the Attorneys, Engineers and property owners interested in both Districts, have been invited to be present, and I will thank both of you gentlemen, to make a special effort to be here. Mr. McDonald was not present at the last meeting and Mr. Harley found it necessary to leave before our business was completed.

Yours very truly,

Chairman, Board of Supervisors,
