Mr. A. H. Sawyer, President,
Boston & Florida Atlantic Coast Land Co.
130 State Street,
Boston, Massachusetts.

Dear Mr. Sawyer :-

This will acknowledge receipt of your letter of January 30th. from which it is noted that you will take up with your Executive Committee and ascertain what attitude the Boston and Florida Atlantic Coast Land Company desires to assume in connection with the formation of a Drainage District South of Florida City about which we wrote you on January 27th. and that in the meantime you will not commit your Company to any such project.

For your information will state that we are just in receipt of instructions from Thompson & Jackson, who are also owners of considerable acreage in the area of the proposed Drainage District, to the effect that they are not favorable to the project and do not wish to have their lands included.

We will be pleased to hear from you further and in the meantime use our best judgment in the protection of your interests in this connection.

Yours very truly,

PEPPER & POTTER,

By
