Mr. J. E. Ingraham, Pres.,
The Model Land Company,
St. Augustine, Florida.

Dear Sir:-

We have your letter of December 31st replying to ours of the 28th, and as suggested therein we are requesting Mr. Rainey to hold in abeyance his report to the Investors' Vigilance Committee, regarding Mr. Deane's Cape Sable development proposition.

We, also, acknowledge your letter of the 2nd inst., enclosing us copy of one from Mr. Deane under date of December 30th, from which it is noted he expects to be in St. Augustine on the 10th instant.

We will, of course, be pleased to keep you advised of any information that might come to our hands, in which we think you will be interested.

Yours very truly,
