SUBJECT: Inquiry for lands in Cape Sable District.

Mr. J. W. Hoffman, Vice-President,  
Model Land Company,  
St. Augustine, Fla.

Dear Sir:

Mr. John H. Miles called in our office this morning and wanted to know if the Company's holdings in the Cape Sable district were for sale. He stated that while he is not in the real estate business, that he had been requested by some wealthy friends of his in the North to find out if these holdings were for sale, and if so, price and terms and approximate acreage. He stated that the parties making the inquiry thru him have or control over a half-billion dollars and are people that he is sure you would have no hesitancy in dealing with on such a proposition if satisfactory price and terms could be agreed upon.

Mr. Miles is Chief Distributor for the Gotfredson Truck Corporation for the State of Florida.

Yours very truly,

PEPPER & POTTER,
