Gentlemen:

Your letter of May 20th
with reference to aerial photographs of the
Cape Sable section.

In Mr. Hoit's estimate
of cost he states the price will be \$1500.00
for fifty pictures around area, showing general
idea of lands included, and I shall be glad if
you will inquire of Mr. Hoit whether or not
this means fifty different views or fifty pic-
tures of one view. If they are fifty different
views I wish you would also ask what the price
would be for two or three copies of several
views, thinking that you might desire to have
a copy, I am sure our New York office would be
glad to have a copy, and of course we would want
one for our office here.

Yours very truly,

J. W. Hoffman
Vice President.
