Benson
inquiry

June 4th, 1927.

SUBJECT: Inquiry for price on lands in Townships 60 and 61-35.

Mr. Thomas P. Benson,
c/o McBride Hotel,
Miami, Florida.

Dear Mr. Benson:

Following your visit to this office we took up with Mr. Hoffman, Vice-President of the Model Land Company, the matter of giving you a price on lands lying South of your tract in the Cape Sable District, and his reply just received is to the effect that the Company is not in a position at this time to set a price on this property.

If you should, however, at any time in the future be in a position to make a definite offer for any of this property we will be pleased to refer it to the proper officials for consideration.

Yours very truly,

PEPPER & POTTER,
