Mr. J. W. Hoffman, Vice-President,
Model Land Company,
St. Augustine, Florida.

Dear Sir:

You will recall that when the writer was last in your office some two weeks ago you requested that at the first opportunity we ascertain from Gaston Drake further information in connection with a remark he made on the private car while in Miami to the effect that the DuPont interests had acquired or were interested in the purchase or development of some project in the Cape Sable section.

Mr. Potter happened to be the first to meet Mr. Drake and asked him about the matter, to which Mr. Drake replied that nothing definite had yet developed along this line and he did not feel at liberty to give any further information at this time, but that as soon as he did know anything definite he would be glad to pass the information on to us.

Yours very truly,

PEPPER & POTTER,
