Dear Sir:

We are this morning in receipt of a letter from Mr. Hoffman under date of the 19th instant, inquiring whether or not you have yet received the cane cuttings which were to be shipped to you from Canal Point, and stating that if these cuttings have not been received he is desirous of writing Dr. Brandes to ascertain when the cuttings will be shipped. Will you, therefore, please let us have this information by return mail, and oblige.

Yours very truly,
