**SUBJECT: Sugar Cane - Experimental Planting,
Cape Sable District.**

~~Hon. E. W. Brandes,
Principal Pathologist in Charge,
Office of Sugar Plants,
U.S. Dept. of Agriculture,
Washington, D. C.~~

My Dear Mr. Brandes:-

Further in connection with your letter
of April 5th, and my reply of April 10th.

Our representative is now ready for
Cane cuttings, and as he is not able to call at
the Canal Point station, I am writing to ask
if you will arrange to have these cuttings
shipped to Mr. J. M. Holferty, Goulds, Florida,
the varieties to be shipped to be those named
in the second paragraph of your letter to me of
April 15th, 36, 213 and 234 P.O.J. and C.P. 807.

Again thanking you for your interest and
cooperation in this matter, I am,

Very truly yours,

J. W. Hoffman
Vice President.

JWH:P

Bl. Cy - Pepper & Potter, Inc., - -Please advise Mr. Holferty
Miami, Florida that the Cane cuttings have
been ordered, also ask him to acknowledge receipt either
through you or direct. J.W.H.
