Dear Tom:

We are trying to get a list of the owners and their addresses, of lands in the Cape Sable area, which will be included in the proposed Everglades National Park, and we would like the addresses of the following if you can give them to us:

Paradise Prairie Land Co.  
South Florida Fruit & Vegetable Co.  
H. M. Annatt.

We believe Paradise Prairie Land Company was the corporation in which you were interested.

According to the records, Mr. Annatt's land is the old Jennings tract, and the land of the South Florida Fruit and Vegetable Company is practical all of either Township 57-36 or 58-36, just a little Northwest of the Royal Palm State Park.

If you can furnish us with any of this information, we will appreciate it very much.

Yours very truly,

PEPPER AND POTTER, INC.
