SUBJECT: Everglades National Park -

Pepper & Coffrin, Inc.,
Miami, Florida.

Gentlemen:-

I acknowledge receipt of and thank you very much for your letter of December 20th, advising of your conversation with Mr. Ernest Coe, in connection with the Everglades National Park.

Of course, if the National Park Service have decided that they will include all of the area originally proposed for the Park, I hardly think there is anything for us to do, other than to accept the matter and try to get the best out of the property we can through sale to some outside party or through the State.

Will discuss this matter with you when I am next in Miami.

Very truly yours,

J. W. Hoffman
Vice President.
