SUBJECT: Proposed National Park in Cape Sable District.

Mr. J. W. Hoffman, Vice-Pres.,  
Model Land Company,  
St. Augustine, Fla.

Dear Sir:

Mr. Thomas P. Benson of Miami, who, with his associates, purchased the Dewhurst township sometime ago, informs us that he understands Representative Robineau from this County has introduced or is about to introduce a Bill in connection with the proposed National Park proposition in the Cape Sable District and it is his information that the Bill contains a clause providing for a Committee with full power to act in the matter of condemnation of the lands, which, if enacted into a law, might prevent the landowners from receiving proper compensation for even improved and farm lands.

No doubt you have someone in Tallahassee keeping you in touch with Bills in which you might be interested and probably this matter has already been called to your attention, but we are passing the information on to you for what it is worth.

Yours very truly,

PEPPER AND POTTER, INC.
