Mr. W.A. Roberts,
460 S. W. 18th Terrace,
Miami, Fla.

Dear Sir:

We are wondering what you have been able to do with your parties who were interested in securing a game preserve location in the Cape Sable section, and in connection with which we furnished you with a blue-print and you also gave us some additional information.

The last time you were in the office, it is our memory that you stated you would be returning to the West Coast where you expected to see them before long, and it may be that you are over there now, but as we do not know your address we are sending this letter to the Miami address you gave us with the hopes that it will be forwarded and finally reach you and that you will be kind enough to let us know if anything further has come of the proposition.

Yours very truly,

PEPPER AND POTTER, INC.
