Miami, Fla.

Dear Sir:

We do not want to appear to be crowding or rushing you in making this request, but we are in need of the blue-print giving certain information in the Cape Sable section, which we let you have a few weeks ago, and will appreciate it very much if you will either bring it in or return it by mail as early as convenient. Probably you could make a copy to serve your purpose if you have not already finished with this map.

In this connection, as we are sure you will understand, we would appreciate it very much if you have any additional information you can give us, gained by your subsequent investigation thru this territory.

Yours very truly,

PEPPER AND POTTER, INC.
