SUBJECT: Surveys - Cape Sable Lands.  
Inquiry of W. A. Roberts.

Mr. F. J. Pepper,  
Pepper & Potter, Inc.,  
Miami, Florida.

Dear Sir:-

Your letter of December 23, 1929, requesting survey data of our Cape Sable lands.

I am enclosing herewith two prints, one showing location of main canal, with reference to section lines, and one of our subdivision of various sections in Township 60 South, Range 34 East.

For your information, we have the field notes on the subdivision in Twp. 60 S, R. 34, but I have been unable to find field notes on survey in Twp. 60 S, R. 32 E, or on Canal, but I believe the enclosed prints will give Mr. Roberts the information necessary to locate the sections along the Canal. However, should he desire additional information, please advise and I will make a further search of our records.

Very truly yours,

J. W. Hoffman  
Vice President.
