Mr. H. Campbell,
Pompano, Fla.

Dear Cap:

A few days ago you called in our office with a petition you wished the Model Land Company to sign and we made a copy of it to send to the Model Land Company so you could continue to circulate the petition you had. We have today received this petition back from Mr. Hoffman, Vice-President of the Model Land Company and enclose it to you herewith so you can take it to the meeting of the Everglades Drainage District Commissioners in West Palm Beach next week.

Yours very truly,

PEPPER AND POTTER, INC.
