

P E T I T I O N .

1906-

THAT WHEREAS the undersigned being citizens, voters and tax payers of Broward County, State of Florida, have received notice that on the 4th day of August, 1931, objections to the maintenance budget prepared for the Everglades Drainage District will be heard by the Board of Commissioners in the City of West Palm Beach, in the County of Palm Beach and State of Florida; that we, the undersigned are each property owners in Area L Cypress Creek Canal, one of the eight maintenance areas in the County of Broward against which \$7800.00 has been assessed against property owners and a tax of thirty-three cents per acre.

That we, the undersigned, hereby wish to voice our objection to said maintenance budget covering Area L Cypress Creek Canal and hereby protest against the levying of said tax against said area as set forth in the budget prepared for Everglades Drainage District as above set forth; and

We, the undersigned, hereby respectfully petition that this objection and protest of the property owners in said district or area against whom said tax would be levied be sustained and that the proper authorities refrain from levying said tax in Area L Cypress Creek Canal as set forth in said budget for the reason that said amount is grossly excessive and much higher than the amount assessed against the property involved in any of the other areas in Broward County, Florida, and that the maintenance of said Cypress Creek Canal in said Area L and the other improvements contemplated in the maintenance budget prepared for the Everglades Drainage District as above set forth would not benefit the undersigned property owners in said district commensurate to the large tax above set forth which is now contemplated being levied in said area.

Model Land Co.
By J. M. Hoffman

"Model Land Company owns 7455 acres within this maintenance area."
After Mr Hoffman brought original to us & this was typewritten on it
