SUBJECT: Inquiry - Wm. L. Dillon - Land in Cape Sable.

Mr. Wm. L. Dillon,  
2352 S. W. 5th Street,  
Miami, Florida.

Dear Sir:

I have just returned to Miami after being away for a couple of months and would like to know the present status of your negotiations for the hunting and fishing preserve proposition at Cape Sable about which we have talked several times and passed some correspondence.

If you are still living at the above address and wish me to call upon you, I will be very glad to do so, or if you have fully recovered from your illness, will be pleased to have you call at the office, but in the meantime, please drop me a line by return mail.

Yours very truly,

HEPER AND COFFIN, INC.
