Mrs. J. M. Wilson, Jr.,
Kissimmee, Fla.

Dear Mrs. Wilson:-

I received your letter of the 9th inst., and have read it with a great deal of interest. I have the greatest sympathy for the Seminoles, and I think there should be something done for them, and the lines which you indicate seem to me the most practical, as well as the most feasible, and I shall certainly be glad to assist in any way that I can. Just as soon as you arrive at some definite plan I shall be glad to render you any aid in my power.

I thank you for your very pleasant words, which I appreciate highly. With sincere regards, I am,

Dict. JEI

Yours very truly,

J. E. Ingraham
Vice-President.
