UNITED STATES INDIAN SERVICE

Miami, Florida,
February 15, 1917.

Mrs. Minnie Moore-Willson,
Kissimmee, Florida,

My dear Mrs. Willson:--

I beg to acknowledge receipt of your article in pamphlet form, concerning the Florida Everglades and the Seminole Indians, the most interesting recital of history and romance I have yet read concerning these unique people.

I trust the Florida Legislature at the April session may do something really substantial for these Indians, and I am hoping that my official duties will permit me to go to Tallahassee for aiding in this commendable work.

Remembering with great pleasure my personal acquaintance of you at the Federation Convention in Miami, and hoping that I may have the privilege of seeing you again during my stay in Florida, I have the honor to be,

Very truly yours,

W. S. Coburn

U. S. Indian Inspector.
