Dear Jimmy Wiltsie:

Thanks for your letter of  
19th inst.

Mr. Spencer seems to have done splendid work and it seems to me that you have the matter in excellent shape considering the action of the Governor at the last session and his recent attitude towards the purpose of the bill.

I am writing Mr. Spencer, suggesting that you obtain some expression from the Governor through a third party. Joe Sears and Bill Crawford will be in Tallahassee tomorrow and they are both pretty good friends of the Governor. Perhaps they could help you.

Mrs. Vans Agnew and I called upon Mrs. N. P. Bryan yesterday and we are now trying to arrange for Senator Bryan to open the Fellsmere Library some day next week. This is the only thing that may prevent our going to Tallahassee. Our Senator is in such great demand that we must take him when we can get him and it is difficult for him to set the exact date. Until this is done we shall necessarily remain in a state of uncertainty.

It is a pity that you have not got Billy Bowlegs up there with you. I would give a town lot in Kissimmee to hear Billy address both houses in joint session.
