

State Camp, Fla.  
Mar. 16. 17.

Hon. J. M. Willson  
Kissimmee, Fla.

My dear Mr. Willson:-

On reaching the Camp on Wed. night I found a letter from Mr. Coleman telling me that he had been called out of the State.

I am writing to suggest that if I am to go to the Legislature it will be necessary to take the necessary steps now. I think we should get there before the session opens so as to have a complete understanding with the Governor and the Bill drawn so as to be satisfactory and prevent amendments in the Committee.

If you have influence with your Representative he could win the

Office of Indian Affairs on Monday  
and by that time I will have  
reported for duty..

Write me at Miami  
1039 Fifteenth St..

Please consider this letter confidential,  
with kindest regards to Mrs.  
Wilson and yourself I am  
Faithfully  
L. A. Spencer.
