Mr. M.K. Sniffin,
Hotel Buxbridge
Jacksonville Fla.

Dear Mr. Sniffin:-

I beg to report that I have written Mr. Spencer at Miami, suggesting to him that you and he come to Tallahassee, so we can go over the land Bill matter, before it is drawn. Mr. Milton Pledger an attorney of Tallahassee, who is a personal friend of Gov. Catts as well as to the Indians, - he has been considering the Bill question, and could probably give us some help. We could also get Mr. N.C. Bryan our representative to meet with us.

Mr. Bryan wired Hon. Cato Sells, requesting Mr. Spencer be sent to Tallahassee to give information. I understand Mr. Sells reply to mean, that Mr. Spencer will be so instructed. So it seemed to me if we could first meet here, and go over matters, we might make time by so doing.

When you get this letter, and have heard from Mr. Spencer, you can write me what you think is the best plan.

Awaiting your reply and with kind regards,

I beg to remain,

Very Truly Yours,
