Mr. J. M. Willson, Jr.,  
Kissimmee, Fla.

Dear Mr. Willson:

Our bill was introduced this morning in the House by Mr. Bryan, and in the Senate by Mr. Alexander. The number of the bill in the House is 32. I will not know until tomorrow where it stands on the Senate list. However, this item of progress will interest you, and you will know from it that we have not been idle. Now it is a case of explaining the proposition to members of the Legislature as we get the opportunity to do so.

Yesterday I sent you a copy of the Governor's message, in pamphlet form.

The Committees are to be announced tomorrow. We will then know how Speaker Hardee regarded our suggestion.

With kind regards to you both, I am,

Sincerely yours,

*M. K. Sufferen*

Tell Mrs. Willson that I have met Miss Hampton, who is a friend of the Seminoles.
