Kiss  
Dear Sir.

I succeeded in getting a favorable report from the Committee on the bill setting aside certain lands for the Seminole Indians.

It will now come before the house and I will endeavor to get it thru the house - there is considerable opposition from Monroe County.

I shall try and get the different members of the house familiar with the location of the land - will do this before the bill comes up in the house. It is a considerable undertaking and as I am very busy with several matters - I may not be able to do it thoroughly.

I suppose you noticed that the Submission bill - was there without a dot. <sup>40</sup> 26 @ Bay
