Mr. J. M. Willson, Jr.

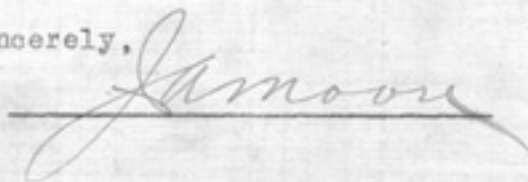

Kissimmee, Florida.

Dear Mr. Wilson;

Your favor of the 12th inst. to hand explaining the progress of the bill in behalf of the Seminole Indians, and I am very glad indeed to know that the Bill has been introduced and in both houses and the Senate. Let us hope and believe that the Governor will affix his signature to the Bill when passed.

I am not sure whether I shall get to Tallahassee this week or not. If I do I will be more than pleased to meet you. With kindest regards and best wishes to you and Mrs. Willson, I am, as ever,

Yours very sincerely,
