HOUSE OF REPRESENTATIVES,
COMMITTEE ON INDIAN AFFAIRS,
WASHINGTON.

May four,
Nineteen seventeen.

My dear Mr. Willson:

I am very glad to have your kind letter of April twenty-four enclosing clippings which I have read with much interest.

I sincerely hope you will be able to persuade the State of its obligation to these unfortunate people. The State of Florida has fared bounteously at the hands of the Federal Government, and can afford to be just, not to say generous, with a race of people who once owned the entire peninsula.

Very truly yours,

Mr. J.M. Willson, Jr.,
Kissimmee, Florida.
