VAN C. SWEARINGEN
ATTORNEY GENERAL

Mr. J. M. Wilson, Jr.,
Kissimmee, Fla.

My dear Mr. Wilson:

Your letter of the 2nd inst has been duly received. In reference to the information you desire I would state that the Board of Commissioners of State Institutions is composed of the following:

Governor, Secretary of State, Comptroller, State Treasurer, Superintendent of Public Instruction, Commissioner of Agriculture and Attorney General.

This matter was brought before the board at the meeting last week and the board has given instructions for a deed transferring this land in trust for the Seminole Indians.

I believe the only reason the matter has not been attended to before is that the same was not brought to the attention of the board.

I hope this will give you the information you desire. If I can further serve you in any capacity, please let me know.

Yours very truly,

Van C. Swearingen
