Mr. J. M. Willson, Jr.,  
Lock Box 281,  
Kissimmee, Fla.

My dear Mr. Willson:

Your favor of the 24th instant just received, and read with interest. The reply you received to your letter from Governor Catts is just about what I thought his attitude would be, in view of the conversation I had with him two years ago.

Like you, I think there are many advantages in having the Federal government hold title, as trustee, of the Seminole 100,000 acre tract, but under the circumstances, I think it would be useless to make any effort along those lines at this time.

Probably your action in writing to Governor Catts and your interview with Hon. N. C. Bryan, may be effective in blocking the Royal Palm Project. I hope so, at any rate.

With kindest regards to you both, I am,

Sincerely yours,

*M. K. Sniffen*
