Hon. J. M. Willson,  
Kissimmee, Fla.

My Dear Mr. Willson;

The next day after I wrote you Rev'd Hargo and Green from Oklahoma appeared here in Fort Myers, on a missionary journey to the Big Cypress Indians.

I assured them that the Indians were now on the trapping grounds and they decided to visit the Reservation at a later date.

I inferred from their talk that they did not intend to establish a permanent work but wanted to spend the winter months in cooperation with any work that might be established.

I am merely passing this on for your information.

Very truly yours,
