Merchants & Farmers Bank of Kissimmee,
Kissimmee, Fla.

Dear Sir:

I would appreciate your sending us two or three tubers or one or two would be sufficient and the apple or fruit. This would give us a better idea of what the variety is. If I am not able to determine it myself there are others in this office who are more familiar with the Dioscorea than I am.

Awaiting the receipt of the specimens, we remain

Very truly yours,

Wm. Stuart
