Hon. L A Spencer, Special Indian Commissioner
Miami Fla.

My dear Mr Spencer:-

I beg to report that I have had some conversation with the Governor and the trustees of the Internal Improvement Commission regarding Indian land and the new proposed bill.

There are several points, that I would like to discuss with you in this matter,- then too, I got a tip this morning, that might lead to two new witnesses in the Ashley case. Therefore if you could find time to run over here and talk these matters over I believe it would be time well spent.

I beg to congratulate you on Senator Fletcher getting the Seminole appropriation through.

Sincerely Yours,
